Education is a tool which enables those with lesser opportunities in life,
to develop their abilities and potential

News updates Summer activities 2010

In the school year of 2010 we have 11 boys and 12 girls
Studying at different levels:
5 at college level
9 at high school level
6 in Primary education
2 in kindergarten (foundation stage)

We have welcomed visitors from within Thailand and from abroad with singing and play following Karen traditional cultural patterns

The children from Mercy House were able to visit a group of Moklen (sea gypsy) people in Ranong province South Thailand

Daow is feeding the ducks

Paeng is peeling tamarind for food preparation

Neew is giving coconut to the younger children

Naynay, Nid and Name play lovingly together

The girls and Yu take paintings and craft items to sell at a local craft fair in Pranburi

'Mother' takes some children fishing during the holidays and they bring the fish home to cook

Thank you for helping us to purchase some land and a van

In this school year of 2010

Mercy House would appreciate the help of people who are interested in any of the following projects. Please contact mercyhouse3@hotmail.com or Mercy House
